Ecma International/TC48-TG1 has finalised their 1st edition of the “MAC and PHY for operation in TV White Space” standard.

It is anticipated to get approval in the General Assembly on 3 December.

Ecma International would like to subsequently provide a detailed introduction in WG 1 in Barcelona.

As announced in the JTC 1 plenary, Ecma International would like to invite ISO/IEC JTC 1/SC 06 experts to participate in the advance review on the TV White Space standards using the draft, registration form, procedure and info on <http://www.ecma-international.org/memento/TC48-TG1-M.htm#Open-TVWS>
