ISO/IEC JTC 1/WG 7 Secretariat:

Ms. Jooran Lee, Korean Standards Association (Email: jooran@kisi.or.kr)

**Meeting announcement and logistical information
for the 1st Meeting of ISO/IEC JTC 1/WG 7 Sensor Networks
8 – 12 March 2010
London, UK**

The 1st meeting of ISO/IEC JTC 1/WG 7 will be held on 8-12 March 2010 in BSI, London, UK.

CONTACTS / LOCAL ORGANIZER

The meetings are being hosted by the British Standards Institution (BSI).

The contacts are:

<Local meeting host>

Ms Jean Stride

jean.stride@bsigroup.com

Tel: +44 20 8996 7431

Mob: +44 7905 129280

<JTC 1/WG 7 Secretariat>

Ms Jooran Lee

Korean Standards Association

jooran@kisi.or.kr

Tel: +82 2 6009 4808

The BSI is providing the meeting venue and facilities. Meeting facilities include meeting rooms fitted with audio/visual equipment and free Wi-Fi for internet access. Morning and afternoon coffee and refreshments will be provided, together with the use of a photocopier.

MEETING LOCATION

The meetings are being held at the BSI offices that are located in Chiswick, West London. The full address is;

BSI Group Headquarters,
389 Chiswick High Road,
London W4 4AL

Although the BSI offices are located just over 6 miles/10 km from the centre of London, they are positioned on a bus route and directly over Gunnersbury underground station, so are easy to reach by public transport. For details on how to reach the BSI, see the section below on “GETTING AROUND IN LONDON” and the map at the following link:

<http://www.streetmap.co.uk/streetmap.dll?grid2map?X=519750&Y=178250>

ACCOMMODATION

The BSI has negotiated a special rate at a number of hotels in the area, details of which are attached. This attachment also includes a booking enquiry form and details of how the booking may be made by phone, fax or e-mail.

For delegates preferring to be near to the meeting place, the Moran hotel in Chiswick is recommended, as it is directly across the road from the BSI.

Alternative accommodation:

Coach and Horses Hotel,
Kew Green,
£110 for single room and breakfast

www.coachhotelkew.co.uk

(The Coach and Horses is an old English ‘pub’ that has been upgraded to a hotel. It is located across the river from the BSI and is on a bus route to the BSI)

Premier Inn,
52 High Street, Brentford, TW8 0BB
£89 for single room

www.premierinn.com

(Brentford is on the A315 about 2 miles west of the BSI and is on a bus route to the BSI)

- Both Kew Green and Brentford High Street are shown on the Streetmap given by the link above.

ENTRY VISAS

Entry visas to the United Kingdom are required only for visitors from certain countries. If you think you need a visa or if you require a letter of invitation to the meeting, please contact Jean Stride (jean.stride@bsigroup.com)

GETTING AROUND IN LONDON

London is a crowded city, so regulations have been introduced to discourage motorists from taking their cars into the centre. A congestion charge of £8/day is applicable to the central area and car parking everywhere is both difficult to find and expensive. The recommended way to travel is by public transport or taxi.

Public Transport in London

The easiest and most cost effective way to use public transport in London is to purchase an Oyster Card. This can be done either on-line or at any tube station and does not require a photo ID. An oyster card is a pay-as-you-go card that is valid on buses, tube trains, overground trains and the Docklands Light Railway (DLR). It can be topped up using a credit card at a ticket machine that can be found at any station. To encourage the use of the Oyster Card, fares are less than half the price of paying by cash. For example, the standard single fare on the tube is £4 by cash and £1.60 by Oyster Card. Details of Visitors Oyster cards are available at;

<http://www.tfl.gov.uk/tickets/faresandtickets/visitortickets/5185.aspx>

For further information on Transport for London, including maps, visit;

<http://www.tfl.gov.uk>

Getting to the BSI from the London Airports

London is served by three major airports – Heathrow, Gatwick and Stansted. The public transport options available from these airports are as follows;

For the exact location of BSI, use the map;

<http://www.streetmap.co.uk/streetmap.dll?grid2map?X=519750&Y=178250>

Arriving at Heathrow

There are underground (tube) stations at all 5 Heathrow terminals. Use an Oyster card or purchase a standard single fare.

Take the Piccadilly Line (shown blue on the map) to Hammersmith. At Hammersmith, cross over the bridge to take a westbound District Line train (shown green) bound for Richmond. Alight at Gunnersbury, where BSI is directly above the station. The journey takes approximately 40 minutes.

Arriving at Gatwick

There is a main line rail station at Gatwick, but no underground station. Take a train into Victoria station on either a Gatwick Express (non-stop, but more expensive) or a Southern train.

At Victoria, go to the underground station and find the correct platform for westbound District Line (green) trains. Use an Oyster card or purchase a standard single fare. Take the train bound for Richmond and alight at Gunnersbury, where BSI is directly above the station.

Journey time is approximately 1 hour (30 mins. to Victoria + 30 mins. Victoria to Gunnersbury).

Arriving at Stansted

This airport is to the north east of London, hence is the furthest away from the BSI. To get to BSI, take the following trains;

Stansted Express to Seven Sisters (rail ticket)

Victoria Line (light blue) from Seven Sisters to Victoria (Oyster Card or standard single)

District Line Richmond train (green) from Victoria to Gunnersbury (no additional fare)

UK SPECIFICS

Weather

Weather in the UK is unpredictable and can change without warning.

Average weather in March is 6 degrees celsius

Electrical Appliances

The electric power supply is 220 volts AC, with a frequency of 50 hertz.

Power outlets use a plug design that is primarily used only in the UK, hence most visitors will need to purchase a plug converter at the airport.

The majority of battery chargers for mobile phones and laptops will accept a wide range of input voltages, hence a voltage converter will probably not be needed.

Currency

The unit of currency in the UK is the £ (UKP). However, cash machines (ATMs) will accept overseas bank cards and credit cards are accepted for most other currencies.

Registration form
for the 1st Meeting of ISO/IEC JTC 1/WG 7 Sensor Networks
8 – 12 March 2010
London, UK

Please fill in this form and return it to the following persons no later than 2010-02-12:

- The meeting host, Ms. Jean Stride (jean.stride@bsigroup.com)
- JTC 1/WG 7 Secretariat, Ms. Jooran Lee (jooran@kisi.or.kr)
