**\* ABOUT SINGAPORE \***

**Climate and What to Wear**

Singapore has a warm and humid climate throughout the year with a daily average temperature range of 24 degrees Celsius to 32 degrees Celsius. Light and summer clothing made from natural fabrics like cotton is best for everyday wear. Casual dress is acceptable for most situations and occasions but some establishments may require a more formal dress code. It is always advisable to check beforehand on dress regulations, if any. Within the hotel, the air-conditioning might get cold, so do bring along a jacket or sweater.

For timely updates, visit <http://app.nea.gov.sg/cms/htdocs/article.asp?pid=1453>.

**Passport & Visa**

Delegates are advised to check the regulations pertaining to passport and visa from their travel agency or from the Singapore's Immigration and Checkpoints Authority website at <http://www.ica.gov.sg/page.aspx?pageid=96&secid=94>.

Most Western nationals either do not require a visa at all to visit Singapore or do not require a visa for a social stay of up to 90 days; a 14-day permit is issued on arrival, but one-month permit is usually no problem if asked for. Extensions beyond one month are difficult to obtain.

### General Information

#### Airport Tax

A passenger service charge of SGD21 should be incorporated in the air ticket (including tickets issued outside of Singapore). If this has not been done, you may be required to pay the SGD21 during check-in. In some cases, the airline may absorb the service charge.

#### Banking

The local currency is Singapore dollars and cents. Notes come in denominations of SGD 2, SGD 5, SGD 10, SGD 20, SGD 50, SGD 100, SGD 500, SGD 1,000, and SGD 10,000.

Coins come in denominations of 5, 10, 20 and 50 cents and SGD 1.

Banking hours are Monday to Friday: 10 am to 3 pm, and Saturday: 9.30 am to 1 pm (some banks are open until 3 pm); Sunday: 9.30 am to 3 pm (some banks in Orchard Road). Most banks handle travellers' cheques and change foreign currencies. However, some banks do not have foreign exchange dealings on Saturday.

Passports are required when cashing travellers' cheques. A nominal commission may be charged.

#### Drinking Water

It is perfectly safe to drink water straight from the tap in Singapore. However, for those who prefer bottled mineral water, local supermarkets and grocers always have ample stocks.

#### Drug Abuse

Drug abuse is viewed seriously in Singapore. Illicit traffic in narcotic drugs and psychotropic substances is strictly prohibited.

#### Electricity

Singapore voltage is **220-240 volts AC, 50 cycles per second**. On request, most hotels will provide transformers to visitors with electrical appliances of a different voltage, such as 110-120 volts, 60 cycles per second. When shopping for electrical appliances, do remember to check the voltage of the item against the acceptable voltage in your home country. The power plugs used in Singapore are of the three-pin, square-shaped type.

#### Languages

There are four official languages in Singapore: Malay, Mandarin, Tamil and English. English is the language of business and administration, and is widely spoken and understood. Most Singaporeans are bilingual, and speak their mother tongue as well as English.

#### Medical Facilities

Singapore's medical facilities are among the finest in the world, with well-qualified doctors and dental surgeons. Pharmaceuticals are available from numerous outlets, including supermarkets, department stores, hotels and shopping centres. Registered pharmacists work from 9 am to 6 pm.

Most hotels have their own doctor on-call around the clock. Other doctors are listed under Medical Practitioners in the Yellow Pages of the Singapore Phone Book. For an ambulance, dial 995. Visitors could also contact the following hospitals' International Patient Service Centres:

**Money Changers**

Apart from banks and hotels, money can be changed wherever the sign "Licensed Money Changer" is displayed. Most shopping complexes have a licensed money changer. Visitors are discouraged from changing money with unlicensed money changers.

An online currency converter service is available at <http://forex.asia1.com/currency.html>.

**Payphone Services**

Public payphones operated by credit card and/or stored-value phonecards can be used to make both local and international calls. Public payphones can be found in most shopping complexes and MRT stations. Local calls are charged at 10 cents per 3 minutes. Stored-value phonecards in denominations of SGD2, SGD5, SGD10, SGD20 and SGD50 can be purchased from post offices and phonecard agents. To make an international call, dial the access code followed by the country code, area code & telephone number. Different telephone companies use different access codes - 001 for SingTel, 002 for M1 and 008 for Starhub.

**ISO/IEC JTC1/SC6 Study Group Meeting for  
Harmonization Between NFC and ISO/IEC 14443  
17-18 September 2009, Singapore**

International Calling Cards in denominations of SGD10, SGD20 and SGD50 are also available at all post offices including Changi Airport, 7-Eleven stores and other retail outlets.

### **Smoking**

Smoking is not permitted in public service vehicles, museums, libraries, lifts, theatres, cinemas, air-conditioned restaurants, non-airconditioned eating houses, hawker centres, hair salons, supermarkets, department stores and government offices. In line with efforts to improve the nightlife experience for all, there are smoking restrictions on entertainment outlets. Smoking is no longer allowed in all pubs, discos, karaoke bars and nightspots, unless within approved smoking rooms or smoking corners. Offenders can be fined up to SGD 1,000.

From 1st January 2009, smoking is also prohibited at:

- Indoor public places (e.g. shops, shopping/neighbourhood centres, factories, offices) regardless of whether they are air-conditioned;
- Lift and hotel lobbies;
- Within 5 metres of entrances and exits to indoor area of buildings and facilities where smoking is prohibited;
- Playgrounds and exercise areas;
- Markets;
- Multi-storey and basement car parks; and
- Ferry Terminals

### **Spitting**

Spitting in public places is an offence.

### **Tipping**

Tipping is not encouraged as most hotels and restaurants in Singapore already levy a 10% service charge on customers' bills. Tipping is not a way of life in Singapore and is prohibited at the airport.

### **Useful Telephone Numbers**

Here is a list of useful telephone numbers.

### **Shopping Tips**

#### **Shopping Hours**

A good number of department stores and some smaller shops are open daily from 10am to about 9pm, or even 10pm. Singapore is one of the few countries in the world where you feel safe staying out in the streets till late at night. As long as basic precautions are taken, you can have peace of mind to shop and walk around.

Mustafa Centre in Little India is the only department store in Singapore that is open 24 hours, everyday!

#### **Prices and Bargains**

The local newspapers will give you a fair idea of prices to expect and information on current sales and promotions. You might also wish to take time to browse and compare prices before buying.

In department stores, all items are price-tagged and prices are fixed. Many small retailers also practise price tagging but are often flexible when approached for a discount. Ask the retailer for his "best price" and then counter-offer with realistic prices until both of you reach an agreement.

#### **Credit/Charge Cards**

**ISO/IEC JTC1/SC6 Study Group Meeting for  
Harmonization Between NFC and ISO/IEC 14443  
17-18 September 2009, Singapore**

Almost all stores accept major international credit and charge cards. Should you come across a shop insisting on adding a surcharge, do contact the local office of the card company so that corrective action can be taken.

### **Receipts and Return Policies**

All department stores and smaller retail shops provide either cash slips or receipts upon purchase. Feel free to ask should they omit giving you one and be sure that details shown on the receipt are accurate.

Larger shops and department stores will exchange goods if they are returned in good, original condition. However, returns are accepted only within a specified number of days (usually three) from the purchase date, and upon presentation of the receipt. Smaller shops may not be so accommodating, so always check goods carefully before purchasing. You may also want to check out the shop's return policy before making a purchase.

If you're undecided about a purchase in a department store and would like a bit of time to consider, just ask the sales assistant to put it aside for you. The item can usually be reserved for a maximum of three days.

### **Goods and Services Tax (GST)**

A 7% GST is levied in Singapore.

Under the Tourist Refund Scheme, tourists who buy goods in Singapore from participating retailers can claim a refund of the GST paid if the goods are brought out of Singapore via Changi International Airport or Seletar Airport within 2 months from the date of purchase. GST refunds are not applicable for land and cruise departures.

For more details on the conditions and refund procedures on the scheme, please refer to "[Guide to Visitors on Tourist Refund Scheme](http://www.iras.gov.sg/irasHome/uploadedFiles/Quick_Links/e-Tax_Guides/GST/Guide%20to%20Visitors%20on%20Tourist%20Refund%20Scheme%20(28%20Aug%202007).pdf)" at [http://www.iras.gov.sg/irasHome/uploadedFiles/Quick\\_Links/e-Tax\\_Guides/GST/Guide to Visitors on Tourist Refund Scheme \(28 Aug 2007\).pdf](http://www.iras.gov.sg/irasHome/uploadedFiles/Quick_Links/e-Tax_Guides/GST/Guide to Visitors on Tourist Refund Scheme (28 Aug 2007).pdf)

### **Warranty**

Check that the warranty card for your purchase bears the correct details of the product purchased and is endorsed with the retailer's stamp. International warranties can be obtained for many goods, usually for a 12-month period, but some products are not accompanied by warranties and these are usually sold at a lower price. Some international warranties have limitations, and may not be applicable to certain countries.

Most shops will comply with your requests for guarantee statements, but if one is not forthcoming, it may be best to simply shop elsewhere.

### **Export Permits**

All weapons (even swords and kris bought as souvenirs) must be accompanied by export permits issued by the Singapore Arms and Explosives Branch at 391, New Bridge Road, #02-701, Police Cantonment Complex, Singapore 088762, Tel: (65) 6557 5822. Singapore and many other countries place restrictions on items from endangered species such as ivory and skins. If in doubt, check with your national diplomatic representative whether a permit is required before you bring an item into your home country.

### **CaseTrust**

CaseTrust is an accreditation programme, developed by the Consumers Association of Singapore (CASE), which recognises good business practices among store-based and web-based business establishments.

Visit [www.case.org.sg](http://www.case.org.sg) for a list of CaseTrust members.

### **Errant Retailers**

As in other countries, be wary of touts with offers of free shopping tours, special discounts or pirated goods. Visitors who encounter less than satisfactory retailer practices can contact the Singapore Tourism Board (Customer Information & Service Dept) located at Tourism Court, 1 Orchard Spring Lane, Singapore 247729, Tel: 1800 736 3366 (toll-free in Singapore), Fax: +65 6734 7226, or email [feedback@stb.com.sg](mailto:feedback@stb.com.sg). If visitors wish to receive some form of redress within 24 hours (depending on the complexity of the claim), you can also lodge your claim directly with the Small Claims Tribunals (SCT). An administrative fee of S\$10 is payable to the SCT.
