Ref: GS1 request for liaison to ISO/TC 247

Brussels, 23 December 2010

Dear Mr. O'Neil,

GS1 would like to request a category A liaison with ISO TC 247. GS1 is already a liaison to:

- ISO TC34/SC 17
- ISO TC 122
- ISO TC 154
- ISO TC 215
- ISO TC 240
- ISO/IEC JTC 1/SC 31
- ISO TC46/SC 9

Given our considerable expertise in identification systems, linear and 2-D bar codes, RFID, electronic data interchange and traceability systems we believe that we can contribute significantly to the work being done within ISO/TC 247. We are also keen to incorporate references to relevant ISO standards in the specifications that we publish and maintain for the benefit of our global membership.

We look forward to a favorable consideration of this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'H. Barthel'.
