JTC 1 Secretariat

Dear Lisa

Resolution for JTC1 Meeting, Tel Aviv, 2009

The Australian National Body has become increasingly concerned by some of the liberal interpretations by SCs of their scope. It is also concerned that undue emphasis is being placed on the title of an SC in determining the limits of SC work.

The Australian National Body therefore wishes to propose the following resolution for the consideration of the JTC1 Plenary Meeting in Tel Aviv, 2009:

JTC1 reminds its SCs that the only determinant of the limits of their work is the scope statement for the SC. The title of an SC does not determine the limits of an SC's work.

JTC1 draws the attention of SC Chairs to the JTC1 Directives, Part 1 Section 2.5.2.2. which states, in part, "The scope is a statement precisely defining the limits of the work of the SC within the scope of JTC 1."

Yours sincerely,
