YOUR REF.

DATE: 7 January 2008

Dear Mrs. Rajchel,

At the recent 2007 meeting of JTC 1 in Australia, Ecma International was given the opportunity to present a liaison report to the meeting. We would like to thank you for this opportunity.

During our report, we stressed the importance of solidifying our relationship by emphasizing the importance of formally established liaisons between both organizations both at the SC level and at the JTC 1 level.

With this in mind, Ecma International requests that a liaison representative from JTC 1 be identified and appointed so that this representative can attend the meetings of our General Assembly and present a report from JTC 1 to Ecma.

Thank you for your consideration of this request.

Sincerely,

Istvan Sebestyen
Secretary General of Ecma International
