Date: 2009-11-23

To whom it may concern

Dear ISO/TMB PSC 01 Potential Members

This is to inform you that in accordance with ISO/TMB resolution 146/2009 (see Attachment 1 to this document) of its September 2009 Plenary meeting it was decided to create a Privacy Steering Committee that reports directly to the TMB and to allocate the secretariat of this new committee to ISO/IEC JTC 1/SC 27 "IT Security techniques". On behalf of ISO/IEC JTC 1/SC 27 I, Krystyna Passia (DIN, Germany) will act as the Secretary of ISO/TMB PSC 01.

As we are currently in the process of establishing the membership of PSC 01 this document is being distributed to the potential members within ISO and JTC 1 to join the Privacy Steering Committee. This document will also be posted to the PSC 01 website that has been established on the ISOTC server accessible via the Livelink application at <<http://www.iso.org/psc>>.

I am also pleased to inform you that with the reference to the latest correspondence with the ISO/TMB of 2009-11-16 I in my capacity as the Secretariat of ISO/TMB PSC 01 it is a great pleasure for me to announce to you the appointment of the Chairman of this new group. Consequently, I would like to introduce to you Dr. Johannes Messer as the Chairman of ISO/TMB PSC 01 Chairman. Johannes Messer is a long-term actively participating expert over 15 years in the German mirror committee to ISO/IEC JTC 1/SC 27. He has also been serving for several years as an expert in the area of information security, data protection and privacy and assuming leading positions at European and worldwide organizations representing his company IBM. Please find the résumé of Dr. Johannes Messer enclosed with this letter as Attachment 1 for further information.

In addition please find below the contact information for both the ISO/TMB PSC 01 Chairman and myself:
