SC 34 Request for JTC 1 Approval of Extension of Limit Dates

In accordance with Resolution 15 of the Plenary Meeting of SC 34 held in Oslo, Norway, 2008-04-05/09, SC 34 requests JTC 1 to approve the extension of the limit dates of the development timeframe on the ISO database be extended as follows:

WG	Project No.	Title	Current limit dates	Proposed limit dates
1	19757-1	Document Schema Definition Languages (DSDL) -- Part 1: Overview	-	FDIS: 2010-10-20 IS: 2011-04-20
Rationale: Since this part gives an overview of the entire DSDL family, it cannot be completed until the other parts become reasonably stable. In particular, Part 10 has been cancelled but may be revived when XProc of W3C is finalized. Note: Part 10 is expected to use XProc for combining the different parts of DSDL.				
1	19757-5	Document Schema Definition Languages (DSDL) -- Part 5: Datatypes	FCD: 2006-04-20 FDIS: 2007-10-20 IS: 2008-04-20	FCD: 2009-04-20 FDIS: 2010-10-20 IS: 2011-04-20
Rationale: This part has been significantly hampered by the lack of human resources. Note that the project editor was the convener of the OOXML BRM.				
3	13250-1	Topic Maps -- Part 1: Overview and basic concepts	FCD: 2008-01-15 FDIS: 2009-01-15 IS: 2009-06-30	FCD: 2008-10-15 FDIS: 2010-01-15 IS: 2010-07-30
Rationale: This part was impacted by the resignation of one of its editors but now agreement has been reached allowing rapid progression of the text.				
3	13250-4	Topic Maps -- Part 4: Canonicalization	FDIS: 2007-05-21 IS: 2007-11-21	FDIS: 2008-10-15 IS: 2008-11-15
Rationale: This part was delayed by the resignation of its editor but it requires only minor edits to be completed.				
3	13250-5	Topic Maps -- Part 5: Reference model	FCD: 2008-01-15 FDIS: 2009-01-15 IS: 2009-06-30	FCD: 2008-05-15 FDIS 2009-05-15 IS: 2009-10-15
Rationale: This part was delayed by the unavailability of one annex that has now been agreed to be removed such that the rest of the text can progress.				

3	13250-7	SGML applications -- Topic maps -- Part 7: Graphical Notation	CD: 2007-03-24 FCD: 2008-03-24 FDIS: 2009-09-24 IS: 2010-03-24	CD: 2008-10-15 FCD: 2009-10-15 FDIS 2010-05-15 IS: 2011-10-15
Rationale: This part has been affected by the illness of its primary editor but it is expected to now progress in a normal manner.				
3	18048	Topic Maps -- Query Language (TMQL)	FCD: 2006-03-16 FDIS: 2007-09-16 IS: 2008-03-16	FCD: 2009-10-15 FDIS 2010-05-15 IS: 2011-10-15
Rationale: This part was delayed by a lack of progress on 13250-6, which has now been completed.
