Title: ITSIG Liaison Status Teleconferences
Source: ITSIG Liaison, Frank Farance (+1 212 486 4700)

I will be hosting two status teleconferences over the next 6 weeks for the purposes of information sharing with National Bodies, Liaison Organizations, and SCs for the current projects in ITSIG.  We will be discussing the status of the following:

— Using XML for Authoring Standards
— ISOurce tools and services
— ISO/IEC namespace identifiers for standards
— Any other ITSIG topics that you want discussed

If there are additional agenda items, you would like discussed, please send me E-mail.

The conference call times are:

Telecon #1: Tuesday, 2010-03-30 13:00 / 14:00 UTC

Telecon #2: Wednesday, 2010-04-07 11:00 / 12:00 UTC

If necessary, we can arrange a third teleconference afterwards.

The dial-in information is:

Dial-in Number: +1 219 509 8222  (US East Coast)
Access Code: 48744
