1. E-meeting Generals

At the joint meeting of ITU-T Q.1/17 and JTC 1/SC 7/WG 7 in April 2008, holding of further electronic meetings had been agreed to progress their relevant work items until the next SC 6 plenary, as shown below:

Date	Venue	Purpose
22 April ~ 13 May 2008	Electronic meeting A Mobile Multicast Communications - Framework	1) To resolve ballot comments on CD 24793-1; 2) To prepare an FCD text for ballot NOTE – The ballot on CD 24793-1 closes on 14 April 2008. If no major technical or editorial comments are received, the editor can be delegated to provide a draft disposition of comments and a draft FCD text before the start of the meeting.
1-30 June 2008	Electronic meeting B RMCP-2 Security extensions	1) To resolve ballot comments on ISO/IEC 16512-2/PDAM1; 2) To prepare an FPDAM text for ballot.
1-31 July 2008	Electronic meeting C Proposal revision of RMCP-2 Simplex group applications	1) To respond to ISO/IEC 16512-2 Defect Reports 001-014; 2) To prepare proposals for a revision of ISO/IEC 16512-2 based on these defect reports for consideration at the SC 6/WG 7 Interim meeting in September 2008 and the SC 6 meeting in November 2008.
To be decided during Electronic Meeting (about max. 2 hours)	Electronic meeting with conference call, provided that there is unanimous consent by the possible attendees	1) To progress agenda items of Electronic meeting A and B, efficiently.

The calling notice of electronic meetings had been announced as SC6 N 13611. The meeting was held based on email discussion without conference call. The electronic meeting A and B has been held but e-meeting C did not be held due to the extension of e-meeting B. The

electronic meeting B had been continued to just before September joint meeting of SC6/WG7 and ITU-T Q.1/17.

2. Results of Electronic Meeting A on MMC-1

The meeting considered 6N 13603, SoV on MMC-1 and CD Text. There was no specific comment on CD ballot of ISO/IEC CD 24793-1. The meeting agreed that current text of MMC-1 is technically stable for further processing of FCD ballot in JTC 1/SC6. However, meeting also agreed that the current text of MMC-1 need to be reviewed by the native speaker to improve the quality of document.

The meeting requested Editor to review the current text of MMC-1 and submit it to the next meeting of SC6/WG7 for final consideration for the FCD ballot processing.

> 6N 13604: SoV on ISO/IEC 16512-2 PDAM 1 (ITU-T Draft Rec. X/603.2/AMD.1)

Mr. Mike Purton (U.K) and Ms. Youn (Korea) have been submitted lots of documents and exchanged valuable comments during the several months of e-meeting to revise the RMCP-2/PDAM 1 document.

Summary of discussions during e-meeting are as shown below:
- Modified structures of the current text based on the official format of amendment document
- Added references, definitions and abbreviations
- Mapped function lists of each component of chapter 9 with functions in protocol operation of chapter 10
- Re-drew regional management of chapter 9

- Clarified technical descriptions of clause 10
- Re-defined message formats of clause 11
- Clarified message parameters of clause 12
- Added and modified descriptions of annex F
- Defined variables of annex F

Upon successful completion of electronic meeting, the revised text of RMCP-2/PDAM1 had been submitted to September joint meeting of SC6/WG7 and ITU-T Q.1/17.

The list of documents submitted to e-meeting are as shown in attachment 1.
