OGC	Introduction		te	This is a generic introduction to system networks. The introduction to this part of the standard should be related to the technical content of this part of the standard.	Replace the introduction with a high-level description of the content of this part of the standard.	
OGC	1		te	The scope provided here is not consistent with the title. An application profile is not a specification of a generic system.	Change the title or change the scope	
OGC	1	1st paragraph, 1st sentence	ed	A part of an ISO/IEC Standard is not composed of parts.	Delete "This part of" from the beginning of the sentence.	
OGC	2		ed	The references listed in this clause are not normative references as defined in the ISO/IEC Directives, Part 2, 6.2.2.	Move these references to the Bibliography.	
OGC	3		ed	The definitions given in this clause do not follow the rules specified in Annex D of the ISO/IEC Directives, Part 2.	Redraft the definitions to conform to the rules.	
OGC	5		te	See our comment on the scope of this part of the standard.
