Subject: JTC 1/SC 22 Request for Extensions

Dear Mrs. Rajchel,

At the September 2009 JTC 1/SC 22 Plenary, the following requests for extensions were approved:

Resolution 09-03: Request for an Extension of ISO/IEC NP 29113, Further Interoperability of Fortran with C (Type 2 TR)

JTC 1/SC 22, noting the report of the JTC 1/SC 22/WG 5 Convener (SC 22 N 4466), instructs its Secretary to request a one-year extension of ISO/IEC NP 29113, Further Interoperability of Fortran with C (Type 2 TR).

Resolution 09-05: Request for an Extension of the Revision of ISO/IEC 10967, Information technology – Language independent arithmetic series of standards

JTC 1/SC 22, noting the report of the JTC 1/SC 22/WG 11 Convener (SC 22 N 4463), instructs its Secretary to request a one-year extension of:

- ISO/IEC CD 10967-1, Information technology – Language independent arithmetic – Part 1: Integer and floating point arithmetic;
- ISO/IEC NP 10967-2, Information technology – Language independent arithmetic – Part 2: Elementary numerical functions; and
- ISO/IEC NP 10967-3, Information technology – Language independent arithmetic – Part 3: Complex integer and floating point arithmetic and complex elementary numerical functions.

Unanimous consent

Resolution 09-06: Request for an Extension of the Revision of ISO/IEC CD 14882, Programming languages – C++

JTC 1/SC 22, noting the report of the JTC 1/SC 22/WG 21 Convener (SC 22 N 4455), instructs its Secretary to request a one-year extension of ISO/IEC CD 14882, Programming languages – C++.

Unanimous consent

JTC 1/SC 22 requests that JTC 1 approve these requests and that they be forwarded on to ITTF so that the ISO Database can be updated.

Please feel free to contact me with any questions or concerns.

Thank you and best regards
Sally
